### MANAGEMENT'S DISCUSSION AND ANALYSIS Housing Authority of the City of Garfield

As Management of the Authority, we offer readers of the Authority's financial statements this narrative overview and analysis of the financial activities of the Authority for the fiscal year ended March 31, 2022. We encourage readers to consider the information presented here in conjunction with the Authority's financial statements as presented elsewhere in this report.

#### A- Financial Highlights

- 1- The assets of the Authority exceeded its liabilities at the close of the most recent fiscal year by \$4,322,578 (net position) as opposed to \$5,213,396 for the prior fiscal year.
- 2 As of the close of the current fiscal year, the Authority's Proprietary Fund reported ending Unrestricted Net Position of (\$5,016,904).
- 3 The Authority's cash and cash equivalent balances at March 31, 2022 were \$759,556 (excluding tenant security deposits) representing an increase of \$150,490 from the prior fiscal year.
- 4 –Total operating revenues decreased by \$309,806 to \$3,880,894 which was primarily attributed to an decrease in HUD operating subsidy. Total Operating Expenses for the twelve-month period ending March 31, 2022 were \$5,217,863 which includes adjustments for Pension and OPEB liabilities.
- 5 The Authority's capital outlays for the fiscal year were \$426,274 which was funded by the Authority's Capital Fund Program.
- 6 The Authority's Expenditures of Federal Awards amounted to \$1,707,226 compared to \$1,868,624 for the prior fiscal year.

#### **B – Using the Annual Report**

#### 1 - Management's Discussion and Analysis

The Management's Discussion and Analysis is intended to serve as an introduction to the Authority's financial statements. The Authority's Financial Statements and Notes to Financial Statements included in this Report were prepared in accordance with GAAP applicable to governmental entities in the United States of America for Proprietary Fund types.

#### 2 - Financial Statements

The financial statements are designed to provide readers with a broad overview of the Authority's finances, in a manner similar to a private-sector business. They consist of the Statement of Net Position, Statement of Revenues, Expenses and Changes in Net Position and Statement of Cash Flows.

The Statement of Net Position presents information on all the Authority's assets and liabilities, with the difference between the two reported as net position. Increases or decreases in net position will serve as a useful indicator of whether the financial position of the Authority is improving or deteriorating.

The Statement of Revenues, Expenses and Changes in Net Position presents information showing how the Authority's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of unrelated cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g.; depreciation and earned but unused vacation leave).

The financial statements report on the Authority's activities. The activities are primarily supported by HUD subsidies and grants. The Authority's function is to provide decent, safe and sanitary housing to low income and special needs populations. The financial statements can be found on pages 9 through 11.

#### 3 - Notes To Financial Statements

The Notes to Financial Statements provide additional information that is essential to a full understanding of the data provided in the financial statements. The Notes to Financial Statements can be found in this Report on pages 12 through 26.

#### 4 - Supplemental Information

The schedule of expenditures of Federal awards is presented for purpose of additional analysis as required by U.S. Office of Management and Budget Uniform Guidance, Audits of States, Local Governments, and Non-profit Organizations. The schedule of expenditures of Federal awards can be found on page 27 of this report.

#### C - The Authority as a Whole

The Authority's Unrestricted Net Position decreased during the fiscal year by \$890,818 primarily due to a change in deferred outflows related to pension costs. Operating revenues are primarily pre-determined subsidies received from HUD. Operating revenues for the year were \$3,880,894 and operating expenses excluding depreciation expense of \$317,768 were \$4,900,095. The decrease was primarily due to the adjustments made to the OPEB and pension liabilities recorded in administrative and maintenance benefits. The pension adjustment was calculated by actuary computations based on a discount rate which fluctuates based on market conditions.

By far, the largest portion of the Authority's net position reflects its investment in capital assets (e.g., land, buildings, equipment and construction in progress). During the current fiscal year, the Authority received \$280,986 in capital grants for modernization of its units.

#### D - Budgetary Highlights

For the year ended March 31, 2022, individual programs or grant budgets were prepared by the Authority and were approved by the Board of Commissioners. The budgets were primarily used as a management tool. The budgets were prepared in accordance with the accounting procedures prescribed by the applicable funding agency.

#### **E – Capital Assets and Debt Administration**

#### 1 - Capital Assets

As of March 31, 2022, the Authority's investment in capital assets for its Proprietary Fund was \$9,339,482 (net of accumulated depreciation). This investment in capital assets includes land, buildings, equipment and construction in progress.

Major capital assets purchased from grants of \$426,274 during the fiscal year pertained to expenditures made in accordance with the Authority's Capital Fund Programs. These activities are funded by grants from HUD.

Additional informational on the Authority's capital assets can be found in Note 6 to the Financial Statements which is included in this Report

#### 2 - Long Term Debt

The Authority does not have any long-term debt outstanding at this time.

#### F – Economic Factors and Next Year's Budgets and Rates

The following factors were considered in preparing the Authority's budget for the fiscal year ending March 31, 2023.

- 1 The state of the economy, particularly its effect on tenant incomes, which are used in determining tenant rents paid to the Authority.
- 2 The need for Congress to reduce the federal deficit and the possible continued cut-backs in HUD subsidies and grants.

#### G - Summary of significant changes from March 31, 2021 to March 31, 2022

FDS Line 122 – Accounts Receivable HUD will fluctuate from year to year depending on the timing of subsidy and CFP draws from ELOCCS. The current year receivable is for operating subsidy received after March 31, 2022.

FDS Line 167 – Construction in Progress will vary from year to year depending on the Capital Projects accomplished during that current fiscal year.

FDS Line 200 and 400 – Deferred Outflows and Inflows of Resources vary from year to year based on changes in actuarial calculations for the NJ State Pension Fund.

FDS Line 357 – The Authority adjusts their OPEB and Pension liability to the state reports each year. This year the total liabilities decreased by \$341,099.

FDS Line 706 – The decrease is primarily due to a decrease in PH CARES grants. The Authority received 143,768 in CARES funds in the prior year to assist in its response to the COVID pandemic.

FDS Line 915 & 945 – The actuarily costs for pension liabilities and deferred outflows and inflows were adjusted through employee benefits.

#### H - Contacting the Authority's Financial Management

The financial report is designed to provide a general overview of the Authority's finances for all those with an interest. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the Executive Director, Housing Authority of the City of Garfield, 71 Daniel P. Conte Court, Garfield, New Jersey 07026, or call (973) 340-4170.

#### **INDEPENDENT AUDITOR'S REPORT**

Board of Commissioners Housing Authority of the City of Garfield Garfield, New Jersey

#### Report on the Audit of the Financial Statements

#### **Opinions**

We have audited the accompanying financial statements of Net Position, Revenue, Expenses, and Changes in Net Position, and Cash Flows of the Housing Authority of the City of Garfield, as of and for the years ended March 31, 2022 and 2021, and the related notes to the financial statements, which collectively comprise the Housing Authority of the City of Garfield's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net position of the Authority as of March 31, 2022 and 2021, and the changes in its net position and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Housing Authority of the City of Garfield and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Housing Authority of the City of Garfield's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and Government Auditing Standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually

### INDEPENDENT AUDITORS' REPORT (Continued)

or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud
  or error, and design and perform audit procedures responsive to those risks. Such procedures include
  examining, on a test basis, evidence regarding the amounts and disclosures in the financial
  statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
  that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
  effectiveness of the Housing Authority of the City of Garfield's internal control. Accordingly, no such
  opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that
  raise substantial doubt about the Housing Authority of the City of Garfield's ability to continue as a
  going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 1–5 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Housing Authority of the City of Garfield's basic financial statements. The accompanying schedule of expenditures of federal awards is required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards presented for purposes of additional analysis and is not a required part of the basic financial statements. The Financial Data Schedule and supporting schedules of the Authority's portion of the Public Employees Retirement Systems (PERS) and Other Post-Employment Benefits (OPEB) liabilities are presented for additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information

### INDEPENDENT AUDITORS' REPORT (Continued)

directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards, the financial data schedule, and the statement and certification of completed modernization grants are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated November 30, 2022 on our consideration of the Housing Authority of the City of Garfield's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Housing Authority of the City of Garfield's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Housing Authority of the City of Garfield's internal control over financial reporting and compliance.

#### NOTE 1 -Summary of Organization, Activities and Significant Accounting Policies:

1. Organization and Activities – The Housing Authority of The City of Garfield (the Authority) is a governmental, public corporation created under federal and state housing laws as defined by State statute (N.J., S.A. 4A: 12A-1, et. Seq., the "Housing Authority Act"). The Authority is governed by a board of seven members who serve five year terms. The governing board is essentially autonomous but is responsible to the U.S. Department of Housing and Urban Development and the State of New Jersey Department of Community Affairs. An executive director is appointed by the housing authority's Board to manage the day-to-day operations of the Authority. The Authority is responsible for the development, maintenance and management of public housing for low and moderate income families residing in the City of Garfield, New Jersey. Operating and modernization subsidies are provided to the Authority by the federal government. The Authority has not identified any entities which should be subject to evaluation for inclusion in the Authority's reporting entity. The Authority has concluded that it is excluded from the City's reporting entity since the City does not designate management, does not influence operations, does not have responsibility for fiscal matters and does not have a funding relationship with the Authority.

The combined financial statements include all accounts of the Authority. The Authority is the lowest level of government over which the Authority's Board of Commissioners and Executive Director exercise oversight responsibility. The federally funded programs administered by the Authority are detailed on the Financial Data Schedule and the Schedule of Expenditures of Federal Awards, both of which are included as Supplemental Information.

#### 2. Significant Accounting Policies

Basis of Accounting – The financial statements of the Authority are prepared using the accrual basis of accounting in order to recognize the flow of economic resources. Under the accrual basis of accounting, transactions are recognized when they occur, regardless of when cash is received or disbursed. Revenues are recognized in the accounting period in which they are earned and become measurable, and expenses recognized in the period incurred, if measurable. Operating revenues and expenses consist of those revenues and expenses that result from the ongoing principal operations of the Authority. Non-operating revenues and expenses consist of those revenues and expenses that are related to financing and investing types of activities and result from non-exchange transactions or ancillary activities. All assets, liabilities, net position, revenue and expenses are accounted for using a single enterprise fund for the primary government.

Revenue – The major sources of revenue are various subsidies and grants received from the United States Department of Housing and Urban Development, charges to tenants and other miscellaneous revenues discussed below.

Federal Grant Revenue – Operating subsidies, and Capital Fund Program revenue received from HUD are recorded under the accrual method of accounting and are recognized in the period earned in accordance with applicable HUD guidelines. The Authority is generally entitled to receive funds from HUD under an established payment schedule or as expenditures are made under the Capital Fund Program or Comprehensive Improvements Assistance Program.

#### NOTE 1 -Summary of Organization, Activities and Significant Accounting Policies (Continued):

Tenant Charges – Rental charges to tenants are determined and billed monthly and are recognized as revenue when billed since they are measurable and collectible within the current period. Amounts not collected at year-end are included in the balance sheet as accounts receivable, and amounts paid by tenants for the subsequent fiscal year are recorded as deferred revenue.

Miscellaneous Income – Miscellaneous revenue consists primarily of miscellaneous service fees. The revenue is recorded as earned since it is measurable and available.

Report Presentation – The financial statements included in this Report were prepared in accordance with generally accepted accounting principles (GAAP) in the United States of America applicable to governmental entities for Proprietary Fund Types. The Authority implemented the provisions of Governmental Accounting Standards Board Statement No. 34 "Basic Financial Statements and Management's Discussion and Analysis for State and Local Governments" (Statement No. 34). The Authority also adopted the provisions of Statement No. 37 "Basic Financial Statements and Management's Discussion and Analysis for State and Local Governments: Omnibus" and Statement No. 38 "Certain Financial Statement Note Disclosures", which supplement Statement No. 34. Statement No. 34 established standards for all state and local governmental entities that include a statement of net assets, a statement of activities and a statement of cash flows. It requires the classification of net assets into three components – Invested in Capital Assets, Net of Related Debt; Restricted Net Assets and Unrestricted Net Assets. Statement No. 63 requires the re-naming of the Statement of Net Assets to the Statement of Net Position. The Statement of Net Positions are defined as follows:

Net Investment in Capital Assets – This component consists of land, construction in progress and depreciable assets, net of accumulated depreciation and net of the related debt outstanding. If there are significant unspent related debt proceeds as of year-end, the portion of the debt related to the unspent proceeds is not included in the calculation of Invested in Capital Assets, Net of Related Debt. Rather, that portion of the debt is included in the same net asset component as the unspent proceeds.

Restricted Net Position – This component includes net assets subject to restrictions placed on net asset use through external constraints imposed by creditors (such as debt covenants), grantors, contributors, or laws or regulations of other governments or constraints imposed by the law through constitutional provisions or enabling legislation.

Unrestricted Net Position – This component consists of net assets that do not meet the definition of Restricted Net Position or Invested in Capital Assets, Net of Related Debt. The adoption of Governmental Accounting Standards Board Statements 34, 37 and 38 have no significant effect on the basic financial statements, except for the classification of net position in accordance with Statement No. 34.

#### NOTE 1 -Summary of Organization, Activities and Significant Accounting Policies (Continued):

Significant accounting policies are as follows:

- 1 Cash and cash equivalents are stated at cost, which approximates market. Cash and cash equivalents include cash in banks, petty cash and certificates of deposit, and other investments with original maturities of less than three months from the date of purchase. Investments are recorded at fair value based on quoted market prices. Fair value is the amount at which a financial instrument could be exchanged in a current transaction between willing parties.
- 2 Collection losses on accounts receivable are charged against an allowance for doubtful accounts.
- 3 Buildings and equipment are recorded at cost for all programs and depreciation is computed on the straight line basis. Interest costs necessary to place a Capital Asset in its intended location and condition are capitalized.
- 4 Repairs funded out of operations, such as painting, roofing and plumbing, are charged against income for all programs.
- 5 The Authority is subsidized by the Federal Government. The Authority is not subject to Federal or State income taxes, nor is it required to file Federal and State income tax returns.
- 6 Operating subsidies received from HUD are recorded as income when earned.
- 7 The cost of accumulated unpaid compensated absences, including fringe benefits, is reported in the period earned rather than in the period paid.
- 8 Prepaid expenses represent payments made by the Authority in the current year to provide services occurring in the subsequent fiscal year.
- 9 Inventories in the Proprietary Fund consist of supplies and are recorded at the lower of first-in first-out, cost or market.
- 10 The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenues and expenses during the reporting period.
- 11 The Authority has elected not to apply to its proprietary activities Financial Accounting Standards Board Statements and Interpretations, Accounting Principles Board Opinions, and Accounting Research Bulletins of the Committee of Accounting Procedure issued after November 30, 1989.
- 12 The Authority does not have any infrastructure assets for its Proprietary Fund.
- 13 Inter-fund receivables and payables arise from inter-fund transactions and are recorded by all funds affected in the period in which the transactions are executed.

#### NOTE 1 -Summary of Organization, Activities and Significant Accounting Policies (Continued):

#### Accounting for Impairment or Disposal of Long Lived Assets

Long-lived assets to be held and used are tested for recoverability whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. When required, impairment losses on assets to be held and used are recognized based on the fair value of the asset, and long-lived assets to be disposed of by sale are reported at the lower of carrying amount or fair value less cost to sell. As of March 31, 2022, the Authority has not recognized any reduction in the carrying value of its fixed assets.

Budgetary Policy and Control – The housing authority submits its annual operating and capital budgets to the State of New Jersey Department of Community Affairs in accordance with New Jersey statute. After the New Jersey Department of Community Affairs approves the budget, it is formally adopted by resolution of the Housing Authority's Board of Commissioners. Once adopted, the Board of Commissioners may amend the legally adopted budget when unexpected modifications are required in estimated revenues and expenses. Each fund's budget is prepared on a detailed line item basis. Revenues are budgeted by source and expenditures are budgeted by expense classification within each revenue source.

#### NOTE 2 – Cash and Cash Equivalents

The Authority maintains cash and investments in local banks. These funds are covered by the Governmental Unit Deposit Protection Act of the state of New Jersey as required by state statute N.J.S.A 17: 9-41, which requires the institutions to pool collateral for all of governmental deposits and have the collateral held by an approved custodian but not in the Authority's name.

Cash and Cash Equivalents (including tenant security deposits) of \$944,741 and \$788,874 at March 31, 2021 and 2020 consisted of the following:

	<u>3/31/2022</u>	<u>3/31/2021</u>
Checking Accounts	\$ 759,556	\$ 609,065
Tenant Security Deposit Accounts	185,185	179,809
Total Cash and Equivalents	\$ 944,741	\$ 788,874

The carrying amount of the Authority's cash and cash equivalents including tenant security deposits as of March 31, 2022 was \$944,741 and the bank balances were \$975,651. Of the bank balances, \$250,000 was covered by FDIC insurance and \$725,651 was covered by a third party collateral pool maintained by the banks as required by News Jersey statutes and New Jersey's Governmental Unit Deposit Protection Act (GUDPA) which collateralizes securities held by the pledging institutions trust department but are not in the Authority's name. Cash equivalents, except petty cash are held in the Authority's name. The Authority's cash and cash equivalents are categorized as prescribed in GASB 40 to give an indication of the level of risk assumed by the Authority.

#### **NOTE 3 - Investments**

Investments of \$1,303,783 and \$1,300,103 at March 31, 2022 and 2021, respectively, consist of eight certificates of deposit.

The certificates of deposit have varying maturity dates greater than three months from the date of purchase and are stated at fair value in the Statement of Net Position, with all gains and losses included in the Statement of Activities. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Interest income is recorded on the accrual basis.

Interest rates on the certificates varied from .1% to .55% during the current fiscal year. Investments are measured at fair value. Generally accepted accounting principles establishes a fair value hierarchy that prioritizes the inputs used to measure fair value. The three levels of the fair value hierarchy are as follows:

Level 1 inputs are adjusted quoted market prices in active markets for identical assets or liabilities that the Organization has the ability to access at the measurement date. Level 1 inputs provide the most realizable measure of fair value as of the measurement date.

Level 2 inputs are based on significant observable inputs, including unadjusted quoted market prices for similar assets and liabilities in active markets, unadjusted quoted prices for identical or similar assets or liabilities in markets that are not active, or inputs other than quoted prices that are observable for the asset or liability.

Level 3 inputs are significant unobservable inputs for the asset or liability.

The level of the fair value hierarchy within which a fair value measurement in its entirety falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

All of the Authority's investments at March 31, 2022 and 2021 are included in Level 1 of the hierarchy

\$250,000 of the Certificates of Deposit were covered by FDIC Insurance and the remainder is covered by third party collateral agreements and GUDPA as required by NJ statute and HUD.

#### NOTE 4 - Tenant Accounts Receivable

The Authority carries its tenant accounts receivable at cost less the allowance for uncollectable accounts. On a periodic basis the Authority reviews its receivable and establishes an allowance for uncollectable accounts based on previous history, collections and age of receivables. Accounts are written off when management determines that a sufficient period of time has elapsed without receiving payment. The accounts to be written off are present to the board for approval.

#### **NOTE 6 - Fixed Assets**

Fixed assets consist primarily of expenditures to acquire, construct, place in operation and improve the facilities of the Authority and are stated at cost, less accumulated depreciation. The following is a summary of the changes in general fixed assets for the fiscal years ended March 31, 2022 and 2021:

	-	alance		A 1 1111			٦	ransfers/		Balance
	April	1, 2021	_	Additions	Dis	posals		Other	_ <u>M</u>	ar. 31, 2022
Land	\$	732,912	\$	-	\$	-	\$	_	\$	732,912
Buildings and Improvements	23,	,419,219		-		-		-		23,419,219

Furniture and Equipment		980,924		-		-				980,924
Construction in Progress		<u>938,151</u>	_	280,990		-				1,219,141
Total Fixed Assets	26,	681,228		280,990		-				26,962,218
Accumulated Depreciation	(17,	<u>391,901</u> )	_	(339,341)		-				(17,731,242)
Net Fixed Assets		289,327	\$	(58,351)	\$		_		_	9,230,976

Depreciation expense for the fiscal years ended March 31, 2022 and 2021 was \$317,768 and \$339,341, respectively.

Expenditures are capitalized when they meet the Authority's Capitalization policy. Under that policy, assets purchased or constructed at a cost not exceeding \$2,000 are expensed when incurred.

Depreciation of Fixed Assets is provided using the straight-line method for reporting purposes at rates based upon the following estimated useful lives:

	<u>Years</u>
Buildings and	40
Improvements	15
Furniture	5
Equipment	5
Vehicles	5
Computers	3

#### NOTE 7 - Payment in Lieu of Taxes (PILOT)

Under Federal, State and local law, the Authority's programs are exempt from income, property and excise taxes. However, the Authority is required to make a payment in lieu of taxes (PILOT) for the PHA Owned Program in accordance with the provisions of its Cooperation Agreement with the City. Under the Cooperation Agreement, the Authority must pay the City the lesser of 10% of its net shelter rent or the approximate full real property taxes. During the fiscal year ended March 31, 2022 and 2021, respectively, PILOT expense was accrued in the amount of \$184,321 and \$174,529.

#### NOTE 8 - Accrued Compensated Absences

Accrued compensated absences of \$149,438 and \$145,298 at March 31, 2022 and 2021 represents the amount of accumulated leave for which employees are entitled to receive payment in accordance with the Authority's Personnel Policy. Employees may be compensated for accrued vacation leave earned in the event of retirement or termination of service. Employees may be compensated for accumulated sick leave in the event of retirement, at the rate of ½ of the employee's daily rate based on the average compensation received during the employee's final year of employment, exclusive of any overtime or special payments, subject to a maximum of \$15,000.

#### NOTE 9 - Pension Plan

Plan Description - The Authority participates in the New Jersey Public Employees Retirement System (PERS) which is sponsored and administered by the New Jersey Division of Pensions and Benefits. PERS is a cost-sharing, multiple-employer defined benefits pension plan administered by the State of New Jersey, Division of Pensions and Benefits (the Division). PERS issues a publicly available report that can be obtained at the following website: <a href="www.state.nj.us/terasury/pensions/annrpts.shtml">www.state.nj.us/terasury/pensions/annrpts.shtml</a>. Benefits Provided - The vesting and benefit provisions are set by N.J.S.A. 43:15A. PERS provides retirement, death and disability benefits. All benefits vest after ten years of service, except for medical benefits which vest after 25 years of service or under the disability provisions of PERS

The following represents the membership tiers for PERS:

- Tier 1 Members who were enrolled by July 1, 2007.
- Tier 2 Members who were eligible to enroll on or after July 1, 2007 and prior to November 2, 2008.

#### NOTE 9 - Pension Plan

- Tier 3 Members who were eligible to enroll on or after November 2, 2008 and prior to May 22, 2010
- Tier 4 Members who were eligible to enroll on or after May 22, 2010 and prior to June 28, 2011.
- Tier 5 Members who were eligible to enroll on or after June 28, 2011.

Service retirement benefits of 1/55<sup>th</sup> of final average salary for each year of service credit is available to tiers 1 and 2 members upon reaching age 60 and to tier 3 members upon reaching age 62. Service benefits of 1/60<sup>th</sup> of final average salary for each year of service credit is available to tier 4 members upon reaching age 62 and to tier 5 members upon reaching age 65. Early retirement benefits are available to tiers 1 and 2 members before reaching age 60, tiers 3 and 4 before age 62 with 25 or more years of service credit and tier 5 with 30 or more years of service credit before age 65. Benefits are reduced by a fraction of a percent for each month that a member retires prior to the age at which a member can receive full early retirement benefits in accordance with their respective tier. Tier 1 members can receive an unreduced benefit from age 55 to age 60 if they have at least 25 years of service. Deferred retirement is available to members who have at least 10 years of service credit and have not reached service retirement age for the respective tier.

Contributions - The contribution policy for PERS is set by N.J.S.A. 15A and requires contributions by active members and contributing employers. State legislation has modified the amount contributed by the State. The State's pension contribution is based on an actuarially determined amount, which includes the employer portion of the normal cost and an amortization of the unfunded accrued liability. Funding for the noncontributory group benefits is based on actual claims paid. For fiscal year 2019, the State's pension contribution was less than the actuarial determined amount.

The housing authority's contribution amounts are based on an actuarially determined rate which includes the normal cost and unfunded accrued liability. Chapter 9, P.L. 2009 provided an option for local employers of PERS to contribute 50% of the normal and accrued liability contribution amounts certified for payments due in State fiscal year 2009. Such employers will be credited with the full payment and any such amounts will not be included in their unfunded liability. The actuaries will determine the unfunded liability of those retirement systems, by employer, for the reduced normal and accrued liability contributions provided under this law. The unfunded liability will be paid by the employer in level annual payments over a period of 15 years beginning with the payments due in the fiscal year ended June 30, 2012 and will be adjusted by the rate of return on the actuarial value of assets.

Pension Liabilities, Pension Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At June 30, 2021 and 2020, the measurement date, the Authority reported \$1,612,421 and \$1,916,146, respectively, for its proportionate share of the net pension liability. The Authority's portion of the net pension liability was based on a projection of the Authority's long-term share of contributions to the pension plan relative to the projected contributions of all participating employers, actuarially determined. The Authority's allocation percentage as of June 30, 2021 and 2020 was .0136109463% and 0.0117501%, respectively.

#### NOTE 9 - Pension Plan

The components of the Authority's net pension liability as of March 31, 2022 and 2021 were determined as of the measurement dates of June 30, 2021 and 2020, the most recent evaluation date is as follows:

Net Pension Liability	\$ 1,612,421	\$ 1,916,146
otal Pension Liability lan Fiduciary Net Position	\$ 2022 5,493,306 3,880,884	\$ <u>2021</u> 4,633,423 2,717,277

Detailed information about the pension plan's fiduciary net position is available in the separately issued PERS financial report.

Actuarial Assumptions - The Authority's net pension liability for the fiscal year ended March 31, 2022 was determined at a measurement date of July 1, 2020 which was rolled forward to June 30, 2021. That actuarial valuation used the following assumptions, applied to all periods in the measurement:

Inflation Rate

Price 2.75% Wage 3.25%

Salary Increases:

Through 2026 2.00 - 6.00%

based on years of service

Thereafter 3.00 - 7.00%

based on years of service

Investment Rate of Return 7.00%

Pre-retirement mortality rates were based on the Pub-2010 General Below-Median Income Employee mortality table with an 82.2% adjustment for males and 101.4% adjustment for females, and with future improvement from the base year of 2010 on a generational basis. Post-retirement mortality rates were based on the Pub-2010 General Below-Median Income Healthy Retiree mortality table with a 91.4% adjustment for males and 99.7% adjustment for females, and with future improvement from the base year of 2010 on a generational basis. Disability retirement rates used to value disabled retirees were based on the Pub-2010 Non-Safety Disabled Retiree mortality table with a 127.7% adjustment for males and 117.2% adjustment for females, and with future improvement from the bases year of 2010 on a generational basis. Mortality improvement is based on Scale MP-2021.

The actuarial assumptions used in the July 1, 2020 valuation were based on the results of an actuarial experience study for the period July 1, 2014 to June 30, 2018. In accordance with State statute, the long term expected rate of return on plan investments (7% at June 30, 2021) is determined by the State Treasurer, after consultation with the Directors of the Division of Investment and Division of Pensions and Benefits, the board of trustees and the actuaries. The long term expected rate of return was determined using a building block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic rates of return for each major asset class included in the PERS's target asset allocation as of June 30, 2021 are summarized in the following table:

#### NOTE 9 - Pension Plan

		Expected Real
Asset Class	Target Allocation	Rate of Return
U.S. Equity	27.00%	8.09%
Non-U.S. Developed Markets Ed	quity 13.50%	8.71%
Emerging Markets Equity	5.50%	10.96%
Private Equity	13.00%	11.30%
Real Estate	8.00%	9.15%
Real Assets	3.00%	7.40%
High Yield	2.00%	3.75%
Private Credit	8.00%	7.60%
Investment Grade Credit	8.00%	1.68%
Cash Equivalents	4.00%	0.50%
U.S. Treasuries	5.00%	0.95%
Risk Mitigation Strategies	3.00%	3.35%

Discount Rate - The discount rate used to measure the total pension liability was 7.00% as of June 30, 2021. The projection of cash flows used to determine the discount rate assumed that contributions from plan members will be made at the current member contribution rates and that contributions from employers and the nonemployer contributing entity will be based on 100% of the actuarially determined contributions for the State employer and 100% of actuarially determined contributions for the local employers. Based on those assumptions, the plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on plan investments was applied to all projected benefit payments in determining the total pension liability.

Sensitivity of the Authority's proportionate share of the net pension liability to changes in the discount rate. The following presents the net pension liability of the Authority as of March 31, 2022 and March 31, 2021 using the measurement dates of June 30, 2021 and 2020, calculated using the discount rate as disclosed above as well as what the collective net pension liability would be if it was calculated using a discount rate that is 1-percentage point lower or 1-percentage point higher than the current rate:

	1%	Current	1%
	Decrease	Assumption	Increase
	(6.00%)	(7.0%)	(8.00%)
March 31, 2022	\$ 2,219,197	\$ 1,612,421	\$ 1,129,260
	1%	Current	1%
	Decrease	Assumption	Increase
	 (6.00%)	(7.0%)	(8.00%)
March 31, 2021	\$ 2,431,076	\$ 1,916,146	\$ 1,507,067

#### NOTE 9 - Pension Plan

For the year ended March 31, 2022 and 2021, the Authority recognized pension benefit of \$172,051 and \$128,541, respectively. At March 31, 2022 and 2021 the Authority reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	2022 Deferred	2022 Deferred	2021 Deferred	2021 Deferred
	Outflows o			
			Outflows of	Inflows of
	Resources	Resources	Resources	Resources
Changes of assumptions	\$ 8,39	\$ 574,032	\$ 62,162	\$ 802,309

earnings on plan investments	-	424,754	65,495	-
Changes in proportion	509,556	139,168	262,269	249,571
Subtotal	\$ 543,383	\$ 1,149,497	\$ 424,816	\$1,058,656
Authority's contributions subsequent to the				
measurement date		_	128,541	-
Total	\$ 543,383	<u>\$ 1,149,497</u>	\$ 553,357	\$1,058,656

The amounts reported as deferred outflows of resources and deferred inflows of resources (excluding employer specific amounts) relate to pensions will be recognized in pension expense as shown in the below chart. The amounts do not include employer specific deferred outflows of resources and deferred inflows of resources related to changes in proportion. These amounts should be recognized (amortized) over the average of the expected remaining service lives which is 5.13, 5.16, 5.21, 5.63, 5.48, 5.57 for the years 2021, 2020, 2019, 2018, 2017, and 2016 respectively

Year ended March 31	:	
2022	\$	236,152
2023		168,611.91
2024		114,964.57
2025		86,419.19
2026	-	(33.59)
Total	\$	606,114

#### NOTE 10 - Post Employment Retirement Benefits

#### Plan Description

The Authority administers a cost sharing multiple employer defined benefit postemployment health care benefit (OPEB) plan. The Authority was required to adopt a resolution to participate in the Plan. Coverage under the plan is available to employee spouses and benefits may continue to surviving spouses. For additional information about the plan, please refer to the State of New Jersey (the State), Division of Pension and Benefits' (the Division) Comprehensive Annual Financial Report (CAFR), which can be found at <a href="https://www.state.ni.us/treasury/pensions/financial-reports.shtml">https://www.state.ni.us/treasury/pensions/financial-reports.shtml</a>.

#### Benefits Provided

The Plan provides medical and prescription drugs to retirees and their covered dependents of the Authority. Under the provisions of Chapter 88, P.L 1974 and Chapter 48, P.L 1999, the Authority elects to provide postretirement medical coverage to its employees and must file a resolution with the Division. Under Chapter 88, the Authority has elected to provide benefit coverage based on the eligibility rules and regulations promulgated by the State Health Benefits Commission. Chapter 48 allows the Authority to establish their own age and service eligibility for employer paid health benefits coverage for retired employees. Under Chapter 48, the Authority may assume the cost of postretirement medical coverage for employees and their dependents who: 1) retired on a disability pension; or 2) retired with 25 or more years of service credit in a State or locally administered retirement system and a period of service of up to 25 years with the employer; or 3) retired and reached the age of 65 with 25 or more years of service credit in a State or locally administered retirement system and a period of service of up to 25 years with the employer at the time of retirement as established by the employer; or 4) retired and reached age 62 with at least 15 years of service with the employer. Further, the law provides that the employer paid obligations for retiree coverage may be determined by means of a collective negotiations agreement.

#### **BASIS OF PRESENTATION**

GASB Statement No. 75 requires the Authority to recognize its proportionate share of the collective net OPEB liability, collective deferred outflows of resources, collective deferred inflows of resources and collective OPEB expense.

#### **NET OPEB LIABILITY**

The Authority's total other postemployment benefit ("OPEB") liability of \$3,751,694 was measured as of June 30, 2021, and was determined by an actuarial valuation as of that date. The components of the net OPEB liability at March 31, 2022 are as follows:

Total OPEB Liability \$ 3,762,173
Plan Fiduciary Net Position 10,478
Net OPEB Liability \$ 3,751,694

Plan Fiduciary Net Position

as a % of Total OPEB Liability 0.28%

March 31, 2022

#### NOTE 10- Other Post Employee Retirement Benefits (OPEB) - Continued

The total OPEB liability as of June 30, 2020 was determined by actuarial valuation as of June 30, 2019, which was rolled forward to June 30, 2020. The actuarial assumptions vary for each plan member depending on the plan the member is enrolled in. This actuarial valuation used the following actuarial assumptions, applied to all periods in the measurement:

Salary Increases (Based on years of service within the respective plan)

Initial Fiscal Year Applied

Rate Through 2026

2.00% to 6.00%

Rate Thereafter

3.00% to 7.00%

Mortality: PERS - Pub-2010 General classification headcount weighted mortality with fully generational mortality improvement projections from the central year using Scale MP-2021.

#### **HEALTH CARE TREND ASSUMPTIONS**

For pre-Medicare medical benefits, the trend is initially 5.6% and decreases to a 4.5% long term trend rate after eight years. For post-65 medical benefits, the actual fully insured Medicare Advantage trend rates for fiscal year 2021 through 2022 are reflected. The assumed post-65 medical trend is 4.5% for all future years. For prescription drug benefits, the initial trend rate is 7.0% and decreases to a 4.5% long term trend rate after eight years.

Actuarial assumptions used in the July 1, 2020 valuation were based on the results of the PERS experience studies prepared for July 1, 2014 to June 30, 2018. 100% of active members are considered to participate in the Plan upon retirement.

#### **DISCOUNT RATE**

The discount rate for June 2021 was 2.16%. This represents the municipal bond return rate as chosen by the State of New Jersey. The source of the Bond Buyer Go 20- Bond Municipal Bond Index, which includes tax-exempt general obligation municipal bonds with an average rating of AA/Aa or higher.

#### SENSITIVITY OF NET OPEB LIABILITY TO CHANGES IN THE DISCOUNT RATE

The below presents the total OPEB liability of the Authority as of March 31, 2022, as well as what the Authority's total OPEB liability would be if it were calculated using healthcare cost trend rates that are 1 percentage point lower or 1 percentage point higher than the current healthcare cost trend rates.

### OPEB EXPENSE AND DEFERRED OUTFLOWS OF RESOURCES AND DEFERRED INFLOWS OF RESOURCES RELATED TO OPEB

	2022	2022
	Deferred	Deferred
	Outflows of	Inflows of
	Resources	Resources
Changes of assumptions	\$ 539,692	\$ 663,156
Differences between expected and actual		
experience	84,184	784,910
Net differences between projected and actual		
earnings on plan investments	1,794	-
Changes in proportion	421,424	645,817
Authority's contributions subsequent to the		
measurement date		
TOTAL	\$ 1.047.094	\$ 2.093.883

For the year ended March 31, 2022, the Authority recognized OPEB benefit of \$23,445. At March 31, 2022, the Authority reported deferred outflows of resources of \$1,047,094 and deferred inflows of resources for 2022 of \$2,093,883.

The amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized in OPEB expense as follows:

Year Ending March 31:	
2022	\$ (224,011)
2023	(224,306)
2024	(224,575)
2025	(160,370)
2026	(26,959)
Thereafter	 37,824
-	\$ (822,396)

#### NOTE 11 - Risk Management

The Authority is exposed to various risks of loss related to torts, theft, damage to and destruction of assets; errors and omissions; and natural disasters for which the Authority carries commercial insurance. During the year ended March 31, 2022, the Authority's risk management program, in order to deal with potential liabilities, consisted of various insurance policies for fire, general liability, crime, auto and public-officials errors and omissions. Periodically, but not less than once annually, the Authority conducts a physical inspection of its Projects for the purpose of determining potential liability issues. Liabilities are reported when it is probable that a loss has occurred and the amount of the loss can be reasonably estimated. Settled claims relating to the commercial insurance have not exceeded the amount of insurance in any of the past three fiscal years.

#### NOTE 12 - Construction Commitments

At March 31, 2022, the Authority's outstanding construction commitments pertaining to its Capital Fund Programs were not material. The costs pertaining to such commitments will be paid by grants approved and committed to the Authority by the U.S. Department of Housing and Urban Development.

#### NOTE 13 – Economic Dependency

For the year ended March 31, 2022, a substantial portion of the Authority's revenues were received from the United States Department of Housing and Urban Development, which are subject to availability of funds and Congressional approval, as well as the Authority's compliance with Federal rules and regulations.

#### NOTE 14 - Prior Period Adjustment

For the year ended March 31, 2021, the Authority made certain adjustments to beginning equity with the effect being a net increase of \$1,528,100. The adjustment is the result of the Authority utilizing the state health benefit plan actuary report to report OPEB health liability and related deferred inflows and outflows

#### Note 14 - Subsequent Events

Events that occur after the balance sheet date but before the financial statements were available to be issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at the balance sheet date are recognized in the accompanying financial statements. Subsequent events which provide evidence about conditions that existed after the balance sheet date require disclosure in the accompanying notes. Management has evaluated subsequent events through December 29, 2022, the date on which the financial statements were available to be issued and concluded that one subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.

# HOUSING AUTHORITY OF THE CITY OF GARFIELD Garfield, New Jersey SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS For the Year Ended March 31, 2022

LOW INCOME HOUSING PROGRAM Operating Subsidy (CFDA #14.850a) Capital Fund Program (CFDA #14.872)

\$ 1,254,648 452,578

TOTAL FEDERAL FINANCIAL ASSISTANCE

\$ 1,707,226

#### NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

- Basis of Presentation The Schedule of Expenditures of Federal Awards is presented in accordance with generally
  accepted accounting principles and is presented in accordance with the requirements of the Uniform Guidance.
  Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the
  preparation of the general purpose financial statements.
- 2. There were no subrecipient activities during the audit period.
- 3. The Authority has elected not to use the 10% de minimis cost rate.
- 4. The Authority received no non-cash assistance.
- 5. The Authority did not have any HUD issued mortgages or loans.

### INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Commissioners Housing Authority of the City of Garfield Garfield, New Jersey

1 - - 5

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Housing Authority of the City of Garfield ("the Authority") as of and for the years ended March 31, 2022 and 2021, and the related notes to the financial statements, which collectively comprise the Housing Authority of the City of Garfield's basic financial statements and have issued our report thereon dated December 29, 2022.

#### Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Authority's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

# INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Housing Authority of the City of Garfield financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. The report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

### INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH AJORFEDERALPROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Commissioners Housing Authority of the City of Garfield Garfield, New Jersey

1 4 1 1

#### Report on Compliance for Each Major Federal Program

#### Opinion on Each Major Federal Program

We have audited Housing Authority of the City of Garfield's (the "Authority") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Authority's major federal programs for the year ended March 31, 2022. The Housing Authority of the City of Garfield's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Housing Authority of the City of Garfield complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the years ended March 31, 2022.

#### Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200*, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Authority and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major program. Our audit does not provide a legal determination of the Authority's compliance with the compliance with the compliance requirements referred to above.

#### Responsibilities of Management on Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the Authority's federal programs.

#### Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and to express an opinion on the Authority's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is.

### INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH JORFEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Authority's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, and the Uniform Guidance we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and
  perform audit procedures responsive to those risks. Such procedures include examining, on a test
  basis, evidence regarding the Authority's compliance with the compliance requirements referred to
  above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of internal control over compliance relevant to the audit in order to design
  audit procedures that are appropriate in the circumstances and to test and report on internal control
  over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an
  opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is
  expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses internal over compliance that we identified during the audit.

#### Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that have not been identified. Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
